## COMMUNITY AFFAIRS POLICY

It is been the policy of our company to maintain good relationship with various communities, groups and individuals. Efforts shall always be made to ensure prompt and cordial resolution of any conflict with the host communities, groups and individual to maintain hitch-free situation in our day-to-day operation.

All sacred landmarks e.g. shrines, norms, cultures and tradition in all our host communities shall be observed as specified.

The company equally encourages steady interaction/independence with the encountered communities by engaging the youths with relevant skills into our operations.

All Personnel shall be educated and encouraged to conduct themselves in a responsible manner on and off work sites.
