

ATLANTIC LIGHT

COMMUNITY RELATION POLICY

ATLANTIC LIGHT shall continue to identify with the needs and aspirations of her clients and host community in the execution of its operations.

The company shall also ensure the building and sustenance of a harmonious relationship with her client and host community. She shall exhaust every known peaceful strategy to resolve conflict in case of any disagreement.

In order to pursue mutually beneficial relation with Host Company, we shall:

- a) Liaise with Client's representative in handling company problems that may arise in the cause of executing the job.

- b) Continuously assess and abate the social and economic impact of all business activities by taking needed preventive measure.

ANUGE FREDINAND
Managing Director
