ENVIRONMENTAL PROTECTION POLICY

It is Policy to:

- Carry out Environmental Impact Assessments and Environmental Evaluation Reviews in relation to all aspects of the natural and social environment that may affect, or may be affected by its activities
- Identify any such interface for the complete lifecycle of both new and existing facilities and operations
- Enhance positive effects and prevent intolerable impacts from occurring
- Limit the nature and extent of any residual negative impacts, however caused, such that they are as low as practicable
- Consult relevant stakeholders
- Leave the environment at the end of the useful life of any operation in a condition suitable for future use
- Routinely monitor the environmental status of each operation and take corrective action as necessary
