

ATLANTIC LIGHT

SECURITY POLICY

Due to high rate of insecurity at worksite, **ATLANTIC LIGHT** has a policy that:

- a) Work shall not commence any day unless site is certified SAFE and any risk associated with work taken care of.
- b) All workers shall be provided with identity cards.
- c) Only visitors with proper identification shall be allowed entry to the work site.
- d) Visitors register shall be maintained at worksites.
- e) All vehicles entry and departure from site shall be inspected by security men to ensure that materials/equipment movements in and out of site is authorised.
- f) All personnel are advised to be alert to their environment at all times and report all suspicious acts and movement to the security department.
